

ISP PRELIMINARY APPLICATION

Due: No later than Monday, February 5, 2007

All deadlines are final; no applications will be accepted after 3:00 p.m. on February 5th.

NAME: _____

PROJECT DESCRIPTION:

Give a brief but specific description of your project, and what you hope to accomplish by doing this project. The more details you can provide at this point, the more likely you are to have your project approved. If you are considering more than one project idea, provide a description for **each** project proposal. An imprecise and unfocused preliminary application will make you ineligible for the ISP program.

I have spoken to (name of faculty member) _____, who has agreed to be my faculty advisor for the project.
