MISSION: The Derryfield School mission is to inspire bright, motivated young people to be their best and provide them with the skills and experiences needed to be valued, dynamic, confident, and purposeful members of any community.

OVERVIEW: Leading lives of passion and purpose, Derryfield students come from all over southern New Hampshire and northern Massachusetts to contribute to our joyful, nurturing, close-knit community. Students explore and develop passions throughout our innovative, entrepreneurial academic program by asking probing questions, developing problem-solving and critical thinking skills, and learning how to collaborate effectively with classmates and teachers. Our comprehensive extracurricular program is a natural extension to the academic program, providing opportunities to act in plays, sing and play musical instruments in concerts, give back to the greater Manchester community in service initiatives, and compete for state championships in athletics.

COMMUNITY: The Derryfield faculty consists of 56 members, 38 of whom hold advanced degrees. In addition to their academic responsibilities, the faculty is fully involved in the life of students through advising, coaching and extra-curricular activities. Students come from over 50 towns within a 40-mile radius of Manchester and represent diverse socioeconomic backgrounds, with interests in a wide variety of academic and extra-curricular commitments. 28% self-identify as students of color. Derryfield will award \$3.8 million in need-based financial aid to 39% of our students.

SCHOOL: The School recognizes its responsibility to encourage students' social, emotional and ethical growth and is committed to the development of personal responsibility, independence and critical thinking skills. Recognizing that academic achievement without compassion and concern for others is meaningless, we are committed to purposeful involvement in the world outside our school in both local and the global community.

ACADEMICS: Each student must carry a minimum of five courses each trimester. Advanced Topics (AT) courses have been developed by our accomplished faculty to challenge our strongest junior and senior students with rigorous material and fast-paced learning. This move is the result of an extensive multi-year self-study, as well as ongoing research into best practices and pedagogy. These courses go well beyond the prescribed curriculum in terms of depth and complexity.

MALONE SCHOOLS ONLINE NETWORK: The Derryfield School is the only New Hampshire high school and one of 25 in the country to be selected as a Malone School. As a member of the Malone Schools Online Network (MSON) highly motivated, strong, independent juniors and seniors may supplement their Derryfield curriculum and take synchronized, online classes from other independent schools around the country. See maloneschoolsonline.org for more information about membership and curriculum.

GRADE POINT AVERAGE AND CLASS RANK: Given the School's selective admission process and the rigorous nature of our curriculum for all students, The Derryfield School ***does not publish a cumulative grade point average nor calculate class rank***, but rather provides this summary of all grades earned for the students' junior year.

A (90-100):	74%		Passing:	D-
B (80-89):	24%		Honors average:	B
C (70-79):	2%		High Honors average:	B+
D-F:	-		Highest Honors average:	A-

GRADING: Derryfield operates on a trimester system and does not calculate or send "mid-year" grades. Trimester grades are available in early December and early March.

The Derryfield School values transparency and disclosure regarding disciplinary reporting. Our philosophy is one that empowers students to take the lead in communicating this to colleges. We support students in sharing this information and when asked will elaborate for colleges.
